Subject: RE: Covance Amendment

I see from a revised MDS draft of yesterday (read last night) that Covance is not an MDS subcontractor. If that's correct, pls. provide us w/ necessary info. to define PM-Covance relationship.

thanks

The current MDS draft identifies Covance as a subcontractor of Covance. If this is correct, then there is no need to for a PM-Covance agmt. re this work.

Pls. clarify.

If this isn't the case, we would need a detailed description of services, compensation, etc. for to define PM-Covance relationship before we could start. If this has been provided, pls. let me know (it's late, and Bristow is out tomorrow)

thanks

<< File: Covance Amendment.doc >>

Dear Bristow and Kevin,

Attached are the amounts for the Covance Amendment. Also, has anything been done for their contract for their sample analysis for the MDS contract?

If you need anything, just write....because my father is in the hospital, my hours at work are limited.

Thanks,
-L
